

## **THE VALUE OF TIME - 6 FEBRUARY 2018**

1. In Psalm 90...what 3 realisations do you think lead Moses to his prayer in Verse 12?
2. How would each of these realisations require a plea for wisdom?
3. What is the universal dilemma of all human beings, with regard to time? And how does Moses' appeal in Verse 12 connect with the theme of Ecclesiastes?
4. What is past grace? Related scriptures? And how should it affect us today?
5. What is future grace? Related Scriptures? And how should it affect us today?
6. How do we personally apprehend these Biblical truths about being anchored by both past and future grace? Relate this to the opening verses of Romans 12.
7. How does our perception of "time units" influence our daily walk with the Lord?
8. What would change in our lives if we realised that very few of our choices are amoral?
